

US Export Compliance - ITAR & EAR Regulations Commodity Export Classification Certificate

The form is self-explanatory

Subject: Request for Supplier's Information about United States Export Control Classifications.

Whistler Technology Limited, requires this "Commodity Export Classification Certificate" be completed by the Supplier / Subcontractor prior to issuing a purchase order; this is to allow assessment to US ML or ECCN export control classifications of a supplier's product(s) specific to the US ITAR and EAR legislation governing subsequent export and any re-exports affecting the procured / subcontracted products and / or their components. By completing this form, you warrant that the information provided is true and accurate at this time and agree to notify any change in classification that becomes known by the supplier to such products by written notice to Whistler Technology Limited.
